

Agriculture Scavenger Hunt

Thursday July 21st to Sunday July 24th

Kids are invited to do the 'Agriculture Scavenger Hunt' at this year's East Otter Tail County Fair. The program, sponsored by the Minnesota Farm Bureau, provides children of all ages an opportunity to learn about agriculture as they enjoy the sights and sounds of exhibits and livestock shows.

Children participating in the activity will learn about products grown and raised on Minnesota farms and made from Minnesota commodities while viewing displays. Children can pick up an activity sheet at the fair office. The activity sheet contains agricultural questions. As children tour the fair exhibits, they will find specially placed posters containing the information necessary to complete the 10 question activity sheet. Once completed the sheet should be returned to the starting location.

The goal of the projects is to help children gain a better understanding of farming and agriculture and its importance to Minnesota. Submitted Activity sheets will receive a prize.
