The rooster having the most crows in the designated 30 minutes wins the contest for that day. An individual rooster can be a winner or reserve winner in one round only. Only roosters winning first and second in preliminary rounds will be eligible in the finals. The number of crows that the birds have in their preliminary round will be added to the number of crows in the finals. The bird with the largest totals for two days wins the championship.

Any ties will be "crowed off" by rules set up by the committee. Any special cases not covered by rules will be acted upon by the general committee in charge of the contest.

Judges will be selected by the superintendent. These qualified recorders will be assigned to record the number of crows during the specified time.

Roosters will be penned in individual coops and handlers may use any method to get their exhibit to crow without touching the bird and cage (talk, clap hands, throw food, whistle, etc.). All coops will be partitioned off.

Finalists will not be allowed to take the rooster home. They must be kept in the Poultry Barn.

Kids are invited to do the **'Agriculture Scavenger Hunt'** at this year's East Otter Tail County Fair. The program, sponsored by the Minnesota Farm Bureau, provides children of all ages an opportunity to learn about agriculture as they enjoy the sights and sounds of exhibits and livestock shows.

Children participating in the activity will learn about products grown and raised on Minnesota farms and made from Minnesota commodities while viewing displays. Children can pick up an activity sheet at the fair office. The activity sheet contains agricultural questions. As children tour the fair exhibits, they will find specially placed posters containing the information necessary to complete the 10 question activity sheet. Once completed the sheet should be returned to the starting location.

The goal of the projects is to help children gain a better understanding of farming and agriculture and its importance to Minnesota. Submitted Activity sheets will receive a prize.

# Rachael Ianiro

**THURSDAY, JULY 23, 2026**

**12:00 - 3:00 PM  
EOT FAIR PARK SHELTER**

My name is Rachael Ianiro! I am a singer, songwriter & musician from Detroit Lakes, MN. I started writing songs when I was 11 years old & taught myself guitar on my dad's old Alvarez when I was sixteen.

Growing up out in the country, I spent a lot of time outdoors (camping, hunting, fishing etc.), which I still love to do on my down time. Early on, I was introduced to a lot of great classics in my dad's shop while he worked on muscle cars, which definitely sparked some of my love for music and two wheels.

Since then, I've been lucky enough to go full-time with my music, dabble in other instruments, spend time in Nashville writing and recording, and release two singles. I now play shows consisting of country, classic rock, pop covers and

original music mostly around the Midwest. I have the best support system (my mom is my biggest fan and never misses a show) & I am just so grateful for the people and opportunities music has brought me. God is truly so good!

Joe has played bars, county fairs and special events from Grand Rapids, MN to Grand Forks, ND; to Nashville, TN to Arkansas.
