**Registration: Wednesday and Thursday (All day)**

**Andy Breitenfeldt- 218-850-2507**

### Rules & Information

-\$3 Entry fee. Entries will be made payable to EOT Fair and turned into the superintendent. Round entries will be limited to 6 birds. An exhibitor can only enter one rooster in the contest.

-The rooster having the most crows within the half hour designated wins the contest for that day. An individual rooster can be a winner or reserve winner on one round only. Only roosters winning first and second in contests will be eligible in the finals. The number of crows that the birds have on their winning round will be added to number of crows in the finals. The bird with the largest totals for two days wins the championship.

-Any ties will be "crowed off" by rules set up by the committee. Any special cases not covered by rules will be acted upon by the general committee in charge of the contest.

-Judges will be selected by the superintendent. These qualified recorders will be assigned to record the number of crows during the specified time.

-Roosters will be penned in individual coops and handlers may use any method get their exhibit to crow without touching the bird and cage (talk, clap hands, throwing them food, whistle, etc.). All coops will be partitioned off.

-Finalist will not be allowed to take rooster home. They must be kept in the Poultry Barn.

-Testing & ID Requirements

-Individual ID with leg or wing bands. Must be accompanied by a certificate or test chart to show that they originated from a hatchery or breeding flock that is classified Pullorum-Typhoid clean or are negative to Pullorum-Typhoid test within 90 days prior to the opening date of exhibition.

# Agriculture Scavenger Hunt THURSDAY JULY 20TH TO SUNDAY JULY 23RD

Kids are invited to do the 'Agriculture Scavenger Hunt' at this year's East Otter Tail County Fair. The program, sponsored by the Minnesota Farm Bureau, provides children of all ages an opportunity to learn about agriculture as they enjoy the sights and sounds of exhibits and livestock shows.

Children participating in the activity will learn about products grown and raised on Minnesota farms and made from Minnesota commodities while viewing displays. Children can pick up an activity sheet at the fair office. The activity sheet contains agricultural questions. As children tour the fair exhibits, they will find specially placed posters containing the information necessary to complete the 10 question activity sheet. Once completed the sheet should be returned to the starting location.

The goal of the projects is to help children gain a better understanding of farming and agriculture and its importance to Minnesota. Submitted Activity sheets will receive a prize.

# Jon Offutt - Glassblowing

FRIDAY JULY 21 & SATURDAY, JULY 22  
DEMONSTRATIONS AT, 11AM, 1PM, 2PM, 3PM, 4PM, 5PM

## HOUSE OF MULCIBER MOBILE GLASSBLOWING

-Featuring -  
**Jon Offutt**

Jon Offutt plays with fire. At his glassblowing studio in Fargo—named after the Roman god of fire Mulciber—he uses roaring, 2,000 degree heat as a tool to transform molten glass into beautiful, award-winning glass vessels and sculptures.

Jon earned an M.F.A. in glass from Southern Illinois University at Carbondale, and he passes along his knowledge to new students of glass. He also demonstrates his craft for the public and to a new generation as he travels with his Mobile Studio.

Jon's new series of work is a response to his travels. "The bold horizon line of the prairie provides many nuances of light and perspective," he says, "and the vastness of the sky demands a sensitive depiction of atmosphere. My "Dakota Horizons" work celebrates the topography of our surroundings—the evolving seasons, the subtle movement of sweeping grasslands, the shifting character of our sky."

## HOT AIR never looked so **COOL**

Blow away the competition when you purchase an air source heat pump (ASHP)!

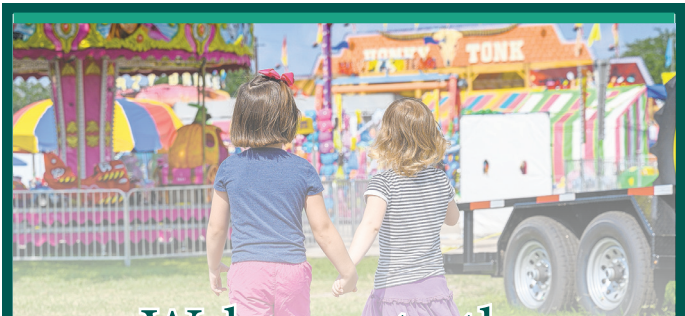

The versatility and energy efficiency of an AHSP is unbeatable. Modern ASHPs can efficiently heat your home below -10°F and efficiently cool your home, even on the hottest summer days. ASHPs provide exceptional cooling and are up to 300% more efficient than other heating sources. ASHPs are eligible for our **6.1¢ dual fuel** and **6.8¢ cycled cooling rates**. **Rebates up to \$800** are also offered for ASHP units.

# Mylo Hatzenbuhler

SATURDAY, JULY 22 NOON & 2PM  
PARK SHELTER

## Mylo Hatzenbuhler Concert

While a student at Dickinson State College, I performed comedy sketches with a small group of students, one of whom was Henry Smith from Hazen, North Dakota. He and I hatched the idea of a big-time rock band made up of all farm kids, complete with accents and overalls, and from that idea, Mylo and Darryl, the Hatzenbuhler Brothers, were born.

Henry played guitar, I played piano and bass; we recruited some friends to form a six-piece band, and did a few shows on campus. I still can't figure out how, but we instantly developed this huge following. After college, we all went our separate ways. Back in Bismarck, I got the occasional request to do "some of those Hatzenbuhler songs." I ended up performing at the state FFA convention; after that, I started getting inquiries from more and more places, and now I present Mylo about 150 times a year. Who could have thought?

1. The management reserves the right to add to these rules as they, in their judgement, may deem advisable.
2. Nothing that has been previously shown at this

fair, except livestock, shall compete for a prize.

3. Entries for premiums in the individual lots of grain, field seed, fruits and forage shall not be permitted to appear as part of collections.

4. No article or animal shall compete for more than one premium, except in livestock groups.

5. Stock must be entered in the name of bona fide owners, and grain, vegetables, fruit, dairy products, flowers and household arts division must have been raised by owners during the past year.

6. Only one entry in any one lot may be made by one family or from one farm.

7. Every article in competition must correspond in number, size of sample and description with the premium list and be in its proper class in order to obtain premiums. No change or alteration will be permitted after the books are placed in the hands of the judges.

8. Each entry tag shall be securely attached to the entry itself, or to the stall, pen, or receptacle in which it is shown.

**9. Entry Schedule - Tuesday, July 18, 2023, 3-8 PM and Wednesday, July 19, 2023, 3-8 PM.**

10. Exhibitors are urged to bring their animals or articles as early as possible on entry day so that everything will be in readiness. You can assist the management a great deal by promptness and also secure for yourself the most prominent place for your exhibit.

## RELEASE OF EXHIBITS

11. Exhibits in the Main Building are to remain on display until 6 PM. the last day of the Fair.

12. Livestock owned by exhibitor residing beyond 20 miles from Perham may be released by 4 p.m. the last day of the Fair.

Livestock owned by exhibitors residing less than 20 miles from Perham may be released at 4 p.m. the last day of the Fair.

13. Premiums will not be paid on articles or animals removed from exhibition without the approval of the Secretary.

## ARRANGEMENTS OF EXHIBITS

14. Grain and field seeds shall be shown in clear fruit jars and unless otherwise designated shall consist of two quart jars by measure.

15. Exhibition of articles not competing for premiums must be arranged for at the Secretary's Office, and will be arranged as far as possible in conformity with the wishes of the exhibitor.

## CLAIMS

16. Persons having claims against the Society must present them to the Secretary within fifteen days after the last day of the Fair.

NOT RESPONSIBLE FOR LOSS OR DAMAGE

17. The Society will take every precaution in its power

for the preservation of the articles and stock on exhibition, but will not be responsible for any loss or damage that may occur in the delivery, exhibition, or removal of exhibits.

## AWARDS

18. The Superintendent of the division or some other person appointed shall assist the judge as clerk and shall keep a record of the awards made. This record when completed shall be signed by the judges and returned to the Secretary.

19. The awards on entries will be designated as follows: 1st premium, blue; 2nd, red; 3rd, white; sweepstake, purple.

20. All awards shall be made by competition of the individual merits of the entries.

21. Any interference by exhibitors to influence or dictate the decision of the judges shall be sufficient cause for excluding his or her entry from competition and should be reported to the Secretary through the Superintendent.

22. No appeal for the decision of the judges shall be allowed. An exhibitor shall make protest to the Superintendent of the division at the time of award, who may then require the judges to give reasons for such placing.

23. No judge shall award any discretionary premiums. Whenever articles of superior merit are exhibited for which no premiums have been offered, the judges may enter same as "commended" on the book of awards, so the Secretary may report them to the board for future action.

24. Premiums will not be awarded to articles or animals of inferior merit although there may be no competition. Where the number of competitors in any lot is less than the number of awards, the judges may, at their discretion, award lower prizes, omitting the higher ones.

25. Where a sum of premium money is to be paid out pro rate, the apportionment shall be according to the merits of the individual exhibits.

26. Special premiums may be offered by interested persons for entries which conform to the general classification of the Society.

**27. Premium checks must be cashed within 30 days of issue, or they will become void.**

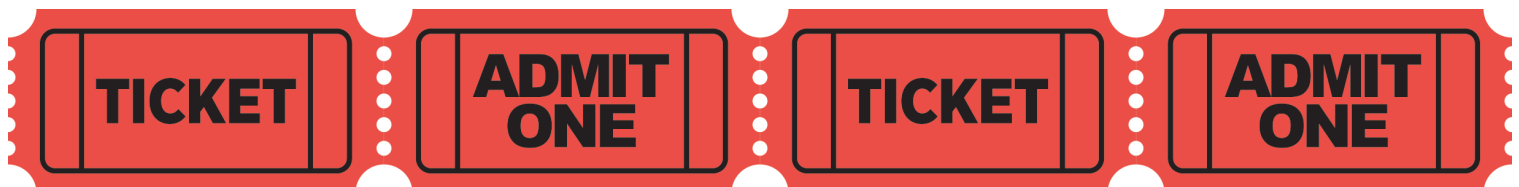

28. Check may be picked up at the Fair Office at 6pm on Sunday, July 23

## NEW BOARD OF ANIMAL HEALTH RULES

**29. Cattle and Bison:** Breeding cattle, rodeo cattle and all cattle for exhibition must be officially identified upon movement from the herd to another location, with certain exceptions. Records of cattle movements into and out of herds must be kept on the farm for five years.

**Swine:** Swine moving within the state must be officially identified with certain exceptions.

# Exhibition of Livestock in Minnesota

## SUMMARY OF STATE RULES FOR 2023 EXHIBITORS

### GENERAL REQUIREMENTS

Persons who wish to operate or conduct a public exhibition of livestock must obtain a permit prior to the start of the exhibition.

All animals must be examined by the official veterinarian on the day they are admitted to the exhibition and at least once daily during the exhibition. All out-of-state animals must meet Minnesota importation requirements. No animal may enter or be at a public exhibition that is showing clinical signs of any infectious, contagious or communicable disease, including ringworm and warts.

Always check with exhibition management for additional requirements.

For Minnesota State Fair exhibition requirements, call 651-288-4417 or visit [www.mnstatefair.org](http://www.mnstatefair.org).

For 4-H exhibition requirements, visit the county fair website.

### RESPONSIBILITIES OF OFFICIAL VETERINARIAN

An official veterinarian must be present at each public exhibition of livestock for which a permit is required. The official veterinarian of an exhibition shall:

- Approve the cleaning and disinfection of the exhibition prior to the exhibition and during the exhibition if livestock are released and new livestock are brought to the exhibition premises.
- Inspect all livestock on the day admitted to the exhibition.
- Refuse admission of livestock showing signs of any infectious, contagious, or communicable disease, or of livestock not meeting the exhibition entrance requirements.
- Maintain ear tagging records to include: the characters on or contained within the ear tag; characters on or contained within other official ear tags on the animal; species, sex, age, and type of animal; date of application; and name of address of the premises where the animal was identified.
- Inspect all livestock at least once daily during the exhibition.
- Order the immediate removal to the quarantine facility or removal from the exhibition premises of any livestock with clinical signs of infectious, contagious, or communicable disease.

- Conduct any necessary tests.
- Submit to the Board a list of any animals that were quarantined or removed from the exhibition because of infectious, contagious, or communicable disease.

### RESPONSIBILITIES OF EXHIBITION MANAGEMENT

- Retain the services of an official veterinarian.
- Comply with all orders of the Board or the official veterinarian.
- Clean and disinfect all building and exhibit areas for the use of livestock prior to the opening date of the exhibition and during the exhibition if livestock are released and new livestock are brought to the exhibition premises.
- Maintain the livestock and exhibition areas in a sanitary condition.
- Ensure that any livestock showing symptoms of infectious, contagious, or communicable disease are removed from the premises or quarantined in a separate facility.
- Maintain records which include the name and address of each exhibitor along with the species, class, and number of animals the person exhibited.

### CATTLE

Cattle must be officially identified.

### DEER AND ELK

1. Must be identified with official animal identification.
2. A deer and elk movement report must be submitted to the Board within 14 days of exhibition (including certificate of veterinary inspection, if applicable).
3. Animals must be confined in a manner to prevent escape.
4. Animals must be restrained in transit.
5. Animals must be confined in a manner to prevent commingling with any CWD susceptible livestock during exhibition.
  - See the link to USDA Exhibition Guidelines for CWD
6. Animals moved interstate for exhibition must meet interstate movement requirements and the destination state's import requirements for farmed cervids.

**Additional recommendations:**

Exhibition Guidelines for Chronic Wasting Disease, including biosecurity and separation protocols, created by the U.S. Department of Agriculture.

### SHEEP AND GOATS

Sheep and goats must be officially identified. No sheep or goat that is within 30 days of giving birth (either before or after) may be exhibited without prior approval from the Board.

### POULTRY

All chickens, turkeys, and gamebirds at exhibitions, except baby poultry, must be individually identified with a leg or wing band with a number on the band. The band may also include other letters such as names/initials. Hatching eggs and young poultry that are too small to band, can be exhibited as a group if the Hatchery Permit number or National Poultry Improvement Plan (NPPI) number is written on the cage, box or enclosure.

At exhibitions, all chickens, turkeys, game birds, and hatching eggs from these birds must be accompanied by a certificate or test chart approved by the board to show compliance with the following requirement:

- Pullorum-typhoid – originate from a hatchery or breeding flock that is classified U.S. Pullorum-Typhoid Clean under the National Poultry Improvement Plan (NPPI); or be negative to a pullorum-typhoid test within 90 days prior to the opening date of exhibition.

If a test chart is used to demonstrate compliance, the band number on the bird must match the test chart. Please see the exhibition requirements document for more information and for the list of certificates and test charts approved for use.

For questions related to poultry exhibition requirements, please contact the Minnesota Poultry Testing Laboratory at 320-231-5170.

### SWINE

Breeding and feeding swine must be officially identified, unless in slaughter classes only.

### HORSES

Horses, except suckling foals accompanying a negative dam, must be negative to an official equine infectious

anemia (Coggins) test conducted within 12 months prior to the opening date of an exhibition.

### RACETRACK IMPORT REQUIREMENTS

In addition to Minnesota Board of Animal Health equine import and exhibition regulations, the Minnesota Racing Commission requires the following for horses entering Canterbury Park or Running Aces racetracks:

### Health Certificates

All horses (including pony/outrider horses) entering the grounds for the first time must be accompanied by an original Certificate of Veterinary Inspection (health certificate) issued within ten (10) days of their arrival and a negative Coggins Test Certificate issued within 12 months of arrival. EHV-1 vaccination date and rectal temperature for each horse should be included on the health certificate. For those trainers shipping in and out, a copy of the health certificate valid for thirty (30) days will be available in the Commission's veterinarian's office upon request.

### Vaccinations

Every horse entering the enclosure of the racetrack must have been vaccinated by a veterinarian with an FDA approved modified live or killed virus vaccine specific for EHV-1 not less than 14 days and not more than 4 months prior to date of entry. The specific product used and expiration date as well as the date the horse was vaccinated must appear on the health certificate.

### Piroplasmiasis

Horses with a health certificate originating from a state with suspect cases of Equine Piroplasmiasis (EP) must also have a negative test for Babesia equi taken within the previous 12 months. Currently this includes Texas, but is subject to change.

Documents must be attached in an email sent to the Minnesota Racing Commission prior to arrival.

### DOGS

Dogs four months of age or older must be accompanied by a certificate of rabies vaccination documenting that the dog is currently vaccinated for rabies.

All exhibitions are subject to change or be modified per MN Department of Animal Health
